

Single Three Phase Silent Diesel Generator 1 Year Warranty

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Cooling System: Air/Water
- Phase: Single/Three
- Warranty: 1 Year
- Noise Level: ≤85dB(A)
- Type: Silent Diesel Generator
- Frequency: 50Hz/60Hz
- Certificate: ISO9001/CE/SONCAP/EPA
- Fuel Tank Capacity: 50L-1000L
- Highlight: **Three Phase Silent Diesel Generator, SONCAP Silent Diesel Generator, Single Phase Diesel Generator**

Product Description

Product Description:

Silent Type Diesel Generator Set is an ideal choice for power supply in many industries. It is widely used in construction sites, mines, oil fields, factories, and other places where reliable power is needed. This generator set is powered by diesel engine, providing single or three phase power with voltage range from 220V to 440V and frequency of 50Hz or 60Hz. The net weight of the generator set is 500kg-3000kg, and the fuel tank capacity ranges from 50L to 1000L.

The Silent Type Diesel Generator Set is designed to be operated with noiseless environment due to its soundproof and vibration-proof structure. It can meet the need of power outages or peak load, and its reliable performance ensures a stable and safe power supply. This diesel generator set is easy to operate and maintain, and it has a long lifespan and low fuel consumption, making it an economical and practical choice for many users.

Features:

Product Name: Silent Diesel Generator

Type: Silent Diesel Generator Set

Voltage: 220V-440V

Speed: 1500rpm/1800rpm

Power: 5kW-3000kW

Warranty: 1 Year

Technical Parameters:

Product Attribute	Details
Cooling System	Air/Water
Dimension	1000*800*1200mm
Warranty	1 Year
Frequency	50Hz/60Hz
Type	Silent Diesel Generator
Noise Level	≤85dB(A)
Phase	Single/Three
Starting System	Electric/Manual
Power	5kW-3000kW
Fuel Tank Capacity	50L-1000L
Special Keywords	Cummins Power Diesel Generator, Open Silent Type Diesel Generator, Diesel Generator Set

Applications:

Minlong Silent Diesel Generator Set

Minlong is a professional manufacturer of silent diesel generator sets, Cummins power diesel generator sets, and other related products. Our products are certified by ISO9001 and come with a minimum order quantity of 1. We offer a wide range of power options, from 500kg to 3000kg, and a range of voltages from 220V to 440V. Our generators have a cooling system that can be either air or water-cooled, and a speed of either 1500rpm or 1800rpm, as well as a frequency of either 50Hz or 60Hz. We provide all our customers with competitive prices and prompt delivery time of 10 to 15 days.

At Minlong, we are committed to providing our customers with excellent service and top quality products. We guarantee that you will be satisfied with your purchase, and we are confident that our diesel generators will meet all your needs. Our team is always available to answer any questions or concerns you may have about our products. We offer a variety of payment options, including L/C, D/A, D/P, T/T, Western Union, and MoneyGram. We also provide secure wood cases for packaging and shipping, and are capable of supplying up to 1000 pieces per week.

Customization:

Silent Diesel Generator

Brand Name: Minlong

Place of Origin: China

Certification: ISO9001
