

## Perkins Electric Start Diesel Generator 1500rpm Portable Diesel Inverter Generator

Our Product Introduction

for more products please visit us on [diesels-generators.com](http://diesels-generators.com)

### Basic Information

- Place of Origin: China
- Brand Name: Minlong

### Product Specification

- Control System: Automatic
- Frequency: 50Hz
- Engine Brand: Perkins
- Power Output: 1000kW
- Weight: 3000kg
- Speed: 1500rpm
- Noise Level: 75dBA
- Fuel Type: Diesel
- Highlight: Perkins Electric Start Diesel Generator ,  
1500rpm Electric Start Diesel Generator ,  
Portable Diesel Inverter Generator

## Product Description

### Product Description:

Perkins Diesel Generator is a heavy-duty diesel generator with fuel type of diesel and power output of 1000kW. Featuring an automatic control system and frequency of 50Hz, it is designed with an electric starting system and can provide a high output for industrial and commercial applications. It is the perfect solution for any company or business looking to increase its power capacity, with its reliable and durable performance.

This heavy-duty diesel generator offers a great combination of power and efficiency, making it the ideal choice for those who need a reliable source of electricity. With its robust construction and advanced technologies, it can provide a high output and reliable performance. The Perkins Diesel Generator is also great for those who need a reliable source of power for their business and industrial applications.

The Perkins Diesel Generator is a great choice for anyone looking for a high output diesel generator. With its heavy-duty construction and advanced technologies, it is the perfect solution for any company or business looking to increase their power capacity and improve their operational efficiency. The Perkins Diesel Generator is the perfect choice for those who need a reliable source of electricity to power their business or industrial applications.

### Features:

Product Name: **Perkins Diesel Generator**

Weight: **3000kg**

Warranty: **1 Year**

Fuel Tank Capacity: **1000L**

Cooling System: **Water Cooled**

Voltage: **400V**

Special Features: **Advanced Diesel Electric Generator, Durable Diesel Generator Set, Advanced Diesel Electric Generator Set**

### Technical Parameters:

Attributes	Details
Product	<b>Advanced Diesel Electric Generator, Perkins Diesel Generator, Advanced Diesel Electric Generator Set</b>
Power Output	1000kW
Warranty	1 Year
Control System	Automatic
Speed	1500rpm
Engine Brand	Perkins
Frequency	50Hz
Voltage	400V
Cooling System	Water Cooled
Weight	3000kg
Dimensions	2500mm X 1500mm X 2000mm

### Applications:

The Minlong 400V Heavy Duty Diesel Generator set is an efficient and reliable power solution for a wide variety of needs. This Perkins Diesel Generator is powered by a Perkins engine with a 1500rpm speed and has a 1000L fuel tank capacity, providing a consistent power supply with a frequency of 50Hz. This Perkins Diesel Generator is perfect for both commercial and industrial applications, providing long lasting, reliable power to keep your operations running smoothly and efficiently. Whether you need power for a construction site, a manufacturing facility, a farm, or any other heavy-duty application, this Perkins Diesel Generator is the perfect choice. With its robust design and superior performance, you can trust this generator to provide reliable, efficient power for years to come.

### Customization:

## Minlong Heavy Duty Diesel Generator Set

Place of Origin: China

Engine Brand: Perkins

Speed: 1500rpm

Cooling System: Water Cooled

Frequency: 50Hz

Warranty: 1 Year

A Durable Diesel Generator Set for Heavy Duty Use

The Minlong Heavy Duty Diesel Generator Set is a reliable and durable power solution for heavy duty use. It features a Perkins engine and robust construction to ensure a long and dependable service life. Plus, it features a 1500rpm speed, water-cooled cooling system, and 50Hz frequency. All this is backed by a 1 year warranty for peace of mind.

## Support and Services:

### Perkins Diesel Generator Technical Support and Service

We provide technical support and service to help ensure that your Perkins Diesel Generator is running efficiently and reliably. Our team of trained technicians is available to provide assistance and guidance in diagnosing, repairing and maintaining your generator.

We understand that emergency situations can arise, and we offer emergency service to get your generator up and running quickly. Our technicians are also available to provide advice on preventive maintenance and troubleshooting to help keep your generator running at its best.

We can provide custom service plans to fit your needs, including scheduled maintenance, parts replacement and repairs. We also offer extended warranty plans to give you peace of mind.

## Packing and Shipping:

### Perkins Diesel Generator Packaging and Shipping

The generator is securely packed in a wooden crate.

The crate is then wrapped in plastic.

The crate is then strapped and sealed.

The generator is shipped via air, sea, or land.

The generator is tracked and insured during transit.

## FAQ:

Q1: What is the brand name of Perkins Diesel Generator?

A1: The brand name of Perkins Diesel Generator is Minlong, which is made in China.

Q2: What kind of fuel does Perkins Diesel Generator use?

A2: Perkins Diesel Generator uses diesel fuel.

Q3: How many models of Perkins Diesel Generator do you produce?

A3: We produce various models of Perkins Diesel Generator to meet different needs.

Q4: How long does the Perkins Diesel Generator last?

A4: The Perkins Diesel Generator has a long service life with proper maintenance.

Q5: Does Perkins Diesel Generator have a warranty?

A5: All Perkins Diesel Generators are covered by a 12-month warranty.
