

400V Perkins Small Diesel Inverter Generator

Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Minimum Order Quantity: 1
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Product Specification

- Warranty: 1 Year
- Voltage: 400V
- Power Output: 1000kW
- Dimensions: 2500mm X 1500mm X 2000mm
- Engine Brand: Perkins
- Starting System: Electric
- Weight: 3000kg
- Control System: Automatic
- Highlight: **400V Small Diesel Inverter Generator, Perkins Small Diesel Inverter Generator**

Product Description

Product Description:

Perkins Diesel Generator is a durable diesel generator set which provides high output power with superior fuel efficiency. This generator has a water cooled system, a fuel tank capacity of 1000L and a frequency of 50Hz. It can generate 1000kW of power, making it one of the most powerful diesel generator. With its 1 year warranty, it is a reliable and secure investment for any application. It is the perfect choice for those who need a reliable and powerful diesel generator for their requirements.

Features:

Product Name: **Perkins Diesel Generator**

Speed: **1500rpm**

Voltage: **400V**

Noise Level: **75dBA**

Starting System: **Electric**

Cooling System: **Water Cooled**

Advanced Diesel Electric Generator

Durable Diesel Generator Set

Technical Parameters:

Parameter	Value
Power Output	1000kW
Frequency	50Hz
Engine Brand	Perkins
Speed	1500rpm
Fuel Tank Capacity	1000L
Cooling System	Water Cooled
Noise Level	75dBA
Warranty	1 Year
Dimensions	2500mm X 1500mm X 2000mm
Weight	3000kg

Applications:

Perkins Diesel Generator

Minlong brand Perkins Diesel Generator is a heavy duty diesel generator set with 1-year warranty. It features a 1000L fuel tank capacity, automatic control system, 400V voltage, and a weight of 3000kg. It is perfect for all your heavy-duty power needs.

Customization:

Perkins Diesel Generator is an advanced diesel electric generator with high output, developed by Minlong from China. It is equipped with an automatic control system and a water cooled cooling system, with a speed of 1500rpm and a power output of 1000kW. It is powered by diesel fuel, providing excellent performance for your power needs.

Support and Services:

Perkins Diesel Generator Technical Support and Service

Perkins provides comprehensive technical support and service for its diesel generators. Our team of experienced

professionals are available 24/7 to assist with any technical issues or concerns.

We offer online troubleshooting and diagnostics, on-site service and repair, and scheduled preventive maintenance. Our technicians are extensively trained and certified in servicing all Perkins diesel generator models.

We also offer extended warranty plans, spare parts and accessories, and a range of genuine Perkins service kits. Our team is dedicated to providing you with the best possible service experience, so you can get the most out of your Perkins diesel generator.

Packing and Shipping:

Packaging and Shipping

Perkins diesel generator is carefully packaged and secured in a container to ensure safe delivery. Our packing is designed to minimize risk of damage during transit. All Perkins diesel generators are thoroughly tested and inspected prior to shipment to ensure that they meet all quality standards.

Our experienced staff coordinates the shipment of each unit to ensure that it is delivered in a timely manner. We use a variety of carriers, including air, ocean, and road freight, depending on the destination and size of the order.

FAQ:

Q: What is the brand name of Perkins Diesel Generator?

A: The brand name is Minlong, and it is made in China.

Q: What size of Perkins Diesel Generator are available?

A: The size of Perkins Diesel Generator varies from 30KVA to 2500KVA.

Q: What type of fuel does Perkins Diesel Generator use?

A: Perkins Diesel Generator requires diesel fuel.

Q: What is the warranty period of Perkins Diesel Generator?

A: The warranty period of Perkins Diesel Generator is 1 year.

Q: What is the delivery time of Perkins Diesel Generator?

A: The delivery time of Perkins Diesel Generator depends on the size and quantity, but usually it will be about 30 days.
