

## 30kva Perkins Diesel Generator 3000\*1700\*1900mm For B2B Buyers

Our Product Introduction

for more products please visit us on [diesels-generators.com](http://diesels-generators.com)

### Basic Information

- Place of Origin: China
- Brand Name: Minlong

### Product Specification

- Type: Diesel Generator
- Power: 1000kVA
- Fuel Consumption: 195L/h
- Cooling System: Water Cooled
- Speed: 1500rpm
- Frequency: 50Hz
- Brand: Perkins
- Noise Level: 75dB(A)
- Highlight: **3000\*1700\*1900mm Perkins Diesel Generator, Perkins Diesel Generator 1500rpm, 30kva perkins generator**

## Product Description

### Product Description:

The **Durable Diesel Generator Set** from Perkins Diesel Generator is a powerful and reliable solution for your power supply needs. This 1000kVA Perkins Diesel Generator offers a **water cooled cooling system** and a low noise level of **75dB(A)**. It is equipped with a **Deep Sea controller** to ensure optimal performance, and its **fuel consumption is 195L/h**. This Perkins Diesel Generator is a great choice for any application where reliable and efficient power is needed.

### Features:

**Durable Diesel Generator Set** - Perkins Diesel Generator, Net Weight: 4500kg

**Heavy Duty Diesel Generator** - Frequency: 50Hz, Speed: 1500rpm, Power: 1000kVA

**Advanced Diesel Electric Generator** - Cooling System: Water Cooled

### Technical Parameters:

Attribute	Value
Fuel Consumption	195L/h
Controller	Deep Sea
Starting System	Electric
Power	1000kVA
Type	Diesel Generator
Brand	Perkins
Net Weight	4500kg
Warranty	1 Year
Frequency	50Hz
Noise Level	75dB(A)

### Applications:

Minlong Perkins Diesel Generator is a heavy duty diesel generator set that is designed to provide reliable power with low fuel consumption. It is engineered to be a reliable and powerful source of electricity, that operates efficiently and can handle heavy loads. This generator set has a place of origin in China, with a brand name of Minlong. It has a dimension of 3000\*1700\*1900mm, and is powered by a Perkins engine, supported by a Deep Sea controller. This generator has a fuel consumption of 195L/h, and a warranty of one year. It can be used in a wide variety of industrial and commercial applications, and is an ideal choice for heavy duty diesel generator applications.

### Customization:

Minlong Heavy Duty Diesel Generator with Perkins Engine

Brand Name: **Minlong**

Place of Origin: **China**

Speed: **1500rpm**

Brand: **Perkins**

Voltage: **400V**

Power: **1000kVA**

Dimension: **3000\*1700\*1900mm**

Our Minlong Perkins Diesel Generator is your perfect choice for heavy duty applications. It is specifically designed for long-lasting operation, with high efficiency and low maintenance. Choose the reliable and powerful Perkins Diesel Generator for your power needs.

## Support and Services:

### Perkins Diesel Generator Technical Support & Service

At Perkins, we understand that keeping your Perkins Diesel Generator running at peak performance is key. That's why we provide a range of technical support and service solutions to help you with your maintenance and repair needs.

**Dedicated Technical Support Team:** Our highly trained and experienced technical support team is here to answer your questions and provide assistance with troubleshooting and diagnostics.

**Engine Diagnostics:** Utilizing the latest in diagnostic technology, our technicians can quickly identify and resolve any issues with your diesel generator.

**Maintenance & Repair Services:** We offer a variety of maintenance and repair services to keep your Perkins Diesel Generator running smoothly. From regular service checks and oil changes to comprehensive engine overhauls, our team is here to ensure your generator is running optimally.

**Parts & Accessories:** We provide a wide range of genuine Perkins parts and accessories to keep your diesel generator operating at peak performance.

With our comprehensive technical support and service solutions, you can rest assured that your Perkins Diesel Generator is in the best possible hands.

## Packing and Shipping:

Perkins diesel generator is shipped in a secure package to ensure that all components remain safe and secure during shipment.

The package includes the following components:

Perkins diesel generator

Installation and maintenance manual

Accessories and tools

Safety equipment

The package is sealed tightly to prevent any moisture or dust from entering and damaging the generator during shipment. The package is also labeled with the product details and shipping information to ensure that it reaches its destination safely and securely.
